Dear Emma and The Association of Financial
Advisers Ancillary Fund,

Thank you so much for choosing
to support Cancer Council NSW
for the 2017 National Inspire Roadshow.
You have all done an amazing job
with your fundraising efforts to
support those affected by cancer.
Thank you! It makes such a
difference to the work we do
and those going through a cancer
journey - for example we are able
to provide financial assistance to
families and individuals affected
by cancer because of your
support. Thank you so much!
